

International Conference New Materials in the Age of Convergence

12 - 15
March 2012
Havana CUBA

Invited Speakers

- L. Kadanoff. Chicago University, USA.
- P. Tabeling. ESPCI, France.
- M. Avalos. IPICYT, Mexico.
- V. Cross. Université du Paris-Sud, France.
- J. O. Fossum. NTNU, Norway.
- E. Reguera. IMRE-IPN, México.
- A. Hoffman. Washington University, USA.
- J. Piqueras. Universidad Complutense de Madrid, España.
- I. Gebeshuber. University Kebansaan, Malaysia.
- A. Romero. CINVESTAV, México.
- K.W.J. Barnham . Physics Dept. Imperial College London, UK .
- C. Trallero. Facultad de Física, Univ. de La Habana, Cuba.
- B. Winkler. Johann Wolfgang Goethe Universitat, Frankfurt, Germany.
- E. Estévez. IMRE, Univ. de La Habana, Cuba.
- L. Ch. de Menorval. Univ. Montpellier II, France.
- R. Cao. Facultad de Química, Univ. de La Habana, Cuba.
- J. San Román. CSIC, España.
- C. Peniche. Facultad de Química, Univ. de La Habana, Cuba.
- S. Lagerge. Univ. Montpellier II, France.
- O. de Melo. Facultad de Física, Univ. de La Habana, Cuba.

Deadlines:

- Summaries: 30 of November 2011
- Acceptance of works: 15 of December 2011
- Beginning of activities: 5 of March 2012

Practical information to participants

- The meeting will take place at the Universidad de San Gerónimo de La Habana, at the heart of Old Havana.
- The conference is open to all interested person, Cuban or from abroad. Inscription is required to attend the conference.
- The official language will be Spanish and English. Invited conference will be in English.

Topics

- Materials and devices for energy.
- Biomaterials.
- Smart materials.
- Magnetic, ferroelectric, ferroic and related materials.
- Materials for bio-pharmaceutical use.
- Hybrid materials.
- Computacional simulation of materials.
- Characterization techniques.

Organizing Committee

- Dr. Ernesto Estévez Rams (President) (IMRE - UH)
- Dr. Ernesto Altshuler (Fac. Física - UH)
- Dr. Augusto González (ICIMAF)
- Dr. Sergio Diaz (IMRE - UH)
- Dr. Julio Cesar Rimada (IMRE - UH)
- Dr. Edilso Reguera (IMRE - IPN - UH)
- Dr. Luis A. Montero (Fac. Química - UH)
- Dra. Beatriz Concepción Rosabal (IMRE - UH)

International Organizing Committee

- Dr. Hans Mikosh (TU, Wien, Austria)
- Dr. Ille Gebeshuber (University Kebangsaan, Malaysia)
- Dr. Jon Otto Fossum (NTNU, Norway)
- Dr. Louis Charles de Menorval (Univ. Montpellier II, France)
